

Protect your kids from **MEASLES and RUBELLA!**

FREE Immunization Clinics

**Saturday, May 10, 2008
10:00 a.m. – 2:00 p.m.**

**Keenan Health Center
3200 N. 36th St.
Milwaukee 53216**

If you don't have insurance or you can't afford to go to the doctor, you can still get immunizations free of charge from the City of Milwaukee Health Department.

**Please bring your
child's immunization
record if you have it.**

Did you know that once you've immunized your babies and toddlers, you're still not done? Your pre-teen kids need vaccinations, too! Call your family doctor or one of the health centers above for more information.
